

Grand County Rural Health Network ACHES & PAINS Healthcare Voucher Program

The voucher program helps reduce barriers and increase access to care, for individuals & families who lack health insurance or other health coverage. **It's not insurance** but provides limited financial assistance for specific medical, dental or mental health appointments. The program is charity-based and fully funded by local grants and donations.

Who Qualifies?

- Grand County residents earning up to 400% of the Federal Poverty Level (e.g. \$62,600 for HH of 1, \$128,600 for HH of 4)
- Uninsured or under-insured* individuals (*mental health/integrated care vouchers only)
- Medicaid enrollees are not eligible for Medicaid-covered services.
